

Tastefully Simple Fundraiser

Order by November 30th for guaranteed Christmas delivery.

My name is Diane Phoenix. I am a dog rescuer myself, and I am also a Tastefully Simple consultant.

For those who don't know about Tastefully Simple, we sell easy to use gourmet food, mostly through home taste-testing parties. Our products are great for making your ordinary meals extraordinary, entertaining impressive and gift giving even more appreciated. And we stand by every product with a money back guarantee.

Here's how it works. Philippa Scott will act as the hostess for your on-line catalogue party. When the party closes, I will give a portion of my profits to the American Lab Rescue.

20% of orders placed through this offer will be donated to American Lab Rescue
